

Brand Marks

Visionary, problem-solving, or the "out of the box" thinker in CCG's values are represented by the individualization of the top right corner. The colors of the logo can be its official navy with orange, black, or white, using the one color logo with an outline corner.

Graphics Use: Other

Included on this page are some of the other graphics that may reappear in some graphics, using different variations of these elements over time will help to bring a cohesivity without becoming stale. Our themes here are community, rounded geometry, and the recurring theme of “the innovator”, “pattern breaker”, or “the leader”.
